

School Supplies 2022-2023  
Grade Three  
Morah Lea and Tali

(The following should be labeled with student names)

- one plastic expanding portfolio/accordion file (examples: Smead® Premium Poly Expanding Wallet, Pendaflex® Poly Slide File w/ Four Pockets) It should be able to close and be durable. This will be their homework folder for the year. 
- Assorted color highlighters (2 each of yellow, pink, blue, green, and orange)- one will be kept at home and one at school
- 2 dozen pencils (to use throughout the year)
- 2 wedge erasers (third graders tend to use up the erasers on pencils very quickly and wedge erasers work best) 
- hand pencil sharpener (preferably one that has a cover to catch shavings)
- set of colored pencils
- 4 thin black dry erase markers (example: EXPO Dry Erase Markers- Fine Point- these erase best)
- set of ultra-fine permanent markers (examples: Sharpie Ultra Fine Point, Paper Mate Flair Felt Tip Pens, any journal marker pens)- 2 or 3 black and any extra colors you'd like
- student scissors
- 4 pack of glue sticks (the white glue sticks work better than the purple ones)

- soft pencil case, preferably one meant for a binder (we'll be hanging these from the side of students' desks) that can fit colored pencils, markers, erasers, scissors, highlighters, and 4 pencils

- 1 set of subtraction, addition, and multiplication flash cards
- 2 Marble Notebooks– one of these notebooks will be covered and decorated within the first weeks of school
- book bag for transporting school supplies and homework
- 6 or more extra kippot – the large ones that don't need clips are best
- good hair clips for kippot (not bobby pins)
- a bag of spare change to be used for tzedakah throughout the year (students will take a coin or two each week to put in the classroom tzedakah box)
