Dear Soon-To-Be-Third-Graders,

During Third Grade we read many books and learn reading comprehension strategies to help us understand what we read. In preparation for next year, I am asking that you read at least **two** chapter books for your summer reading. The more stars, the more challenging the reading.

Choose **one** of the titles below:

\* **Judy Moody** by Megan McDonald (Or any book in this series)

Third grader Judy Moody is in a first day of school bad mood until she gets an assignment to create a collage all about herself and begins creating her masterpiece, the Me collage.

\* **The Magic Tree House- Dinosaurs before Dawn** by Mary Pope Osborne (Or any book in this series)

A tree house that travels through time? Not possible, says Jack. But he has to admit — when he and his younger sister, Annie, start running into dinosaurs — that they're not in Frog Creek, PA, anymore. The first book is an entertaining time-travel fantasy series for young readers.

\* **Dragon Slayers' Academy-The New Kid at School** by Kate McMullan (Or any book in this series)

When a traveling minstrel foretells that he is to become a hero, Wiglaf sets out to fulfill his destiny: he signs up at the Dragon Slayers' Academy. But how can he ever hope to be a dragon slayer when he can't even stand the sight of blood?

\* **Lincoln's Legacy** by Stacia Deutsch (Or any books in the "Blast to the Past" series)

Third graders travel through time to keep history on track!

\*\* **Top Secret** by John Reynolds Gardiner

Despite the disapproval of his parents and his formidable science teacher, nine-year-old Allen determines to do his science project on human photosynthesis.

\*\* **Clementine** by Sara Pennypacker (Or any book in this series)

Clementine is not having a good week. On Monday she's sent to the principal's office for cutting off Margaret's hair. Tuesday, Margaret's mother is mad at her. Wednesday, she's sent to the principal. again. Thursday, Margaret stops speaking to her. Friday starts with yucky eggs and gets worse. And by Saturday, even her mother is mad at her. Okay, fine. Clementine is having a DISASTROUS week.

\*\*\* **BFG** by Roald Dahl

Kidsnatched from her orphanage by a BFG (Big Friendly Giant), who spends his life-giving happy dreams to children, Sophie concocts a plan with him to save the world from nine other man-gobbling "cannybull" giants.

You can choose any book to be your second book! Some suggestions are books written by Beverly Cleary, Lois Sachar, Judy Blume, E.B. White, Lemony Snickett, R.L. Stine, Tony Abbott and Dan Greenberg. You do not have to choose a book by these authors. They are just suggestions that past Third Graders enjoyed.

After you read one of the books from the first list, please do **one** of the following assignments!

**Choice 1:** Send us a letter that includes a colored picture of your favorite part of the story and a written explanation of why you liked that part. Please write neatly and in full sentences. Please mail your letters to the school's address below.

**Choice 2:** Write the first chapter to a made-up sequel, or a continuation of the book you read. Your written chapter should be more than 2 handwritten pages long. Please mail your story to the school's address below.

**Choice 3:** Draw a comic strip on paper that shows what happened at the beginning, middle, and end of the book. Please mail your comic to the school's address below.

**Choice 4:** Make a model/diorama of your favorite part of the story and include a written explanation of why you liked that part. Please write neatly and in full sentences. You can bring your model to school on the first day of classes.
